

GARY JUNG
Gets Scholarship

Top Grant Awarded to Area Youth

Gary Jung, of 4427 Newton St., a South High School senior, was awarded this year's Hollywood Riviera Sportsman's Club scholarship.

Dan Hazelton, Sportsman's Club scholarship chairman, said the \$800 award is based on scholastic achievement and good citizenship. A student from the Club's membership area is selected each year.

Jung, who ranked second in this year's South High graduating class, has also been active in several school clubs. He is a past president of the Hi-Y Club, and past secretary of the Apollo Service Club.

Other awards presented to him this year were the Bausch and Lomb Honorary Science Award, the Newton PTA scholarship, and selection as a National Merit Scholarship finalist.

He will attend the University of California at Santa Cruz, where he plans to major in social sciences. He expects to do graduate work, either attending law school or in preparing for a career in college teaching.

Caravan To Begin June 26

There are still several openings for the "Jumping Frog" Caravan, first of a series of trips for girls this summer from the Torrance Family YMCA, according to Joe Wilcox, executive director.

The fast moving adventure to Grand Canyon, Navajo National Monument, Navajo Lake, Bryce National Park, Zion National Park and Las Vegas is for girls 14 and up, and will last from June 26 through July 5. Wanda Kuendli, high school youth director, will direct the trip, accompanied by an experienced staff.

One of the highlights of the trip will be a visit to the famous cliff dwellings, built in the 13th Century, situated right in the heart of Indian country.

Appraisal Posts Are Available

Career opportunities in both real estate appraisal and auditing are now available in the office of County Assessor Philip E. Watson.

Twenty-five college graduates are being sought for the next trainee-appraiser course to begin July 10. Persons who have majored in real estate, business administration, political science or government are preferred, the Department said.

The one-year training program pays \$608 a month; upon successful completion of the course, graduates advance to the rank of appraiser with a starting salary of \$696 monthly.

College graduates with at least 18 units in accounting and two years accounting or auditing experience are being recruited for Appraiser II positions in the Personal Property Division. Salary ranges from \$776 to \$966 a month.

Department Graduates 56 Trainees

Three Torrance men received their badges and certificates in brief graduation ceremonies at the County Fire Department's Headquarters in East Los Angeles Friday.

William F. Groscup, Franklin D. Tuttle, and Thomas Detleison of Torrance, along with 53 other trainees who just completed an intensive

seven-week training program in which they learned to bat the petroleum fires, extend heavy hose lines into multi-story buildings, use a cutting torch and even how to make a bed in the prescribed fire department manner.

Their training included several real incidents as the rookies were sent out to assist at four major fires which occurred during their training period.

Births

TORRANCE MEMORIAL HOSPITAL
CARTNER — Mr. and Mrs. Donald, 2425 Park St., Walteria, a boy, Donald Eugene, May 20.
GUCFA — Mr. and Mrs. Sigmond, Lawndale, a girl Stephanie Helene, May 21.
DAVIS — Mr. and Mrs. Jimmy, 400 W. Carson St., a boy, Jerry Glenn, May 23.

Harbor Registration Off to a Flying Start

Registration for Harbor College's summer session is off to a fast start, according to Kenneth R. Williams, summer session dean, with more than 1,000 students signing up in the first two weeks. Williams said final enrollment should approximate 2,500 students with the biggest rush coming as colleges and high schools let out for

summer vacation. Classes in all areas are filling smoothly, according to Williams, but he anticipates that some popular classes will close early as they reach their enrollment limit. "You will have a greater variety of classes to choose from if you register early," he says.

Registration for the six week session will continue from now through July 3 with instruction starting on Wednesday, July 5, and ending Tuesday, Aug. 15. Hours for registration are from 10 a.m. to 2 p.m. Monday through Friday from now through June 16 and from June 26 through July 3. Evening registration from 6 to 8 p.m. will take place Monday through Thursday from now through June 8 and from June 26 through July 3.

Registration is open to high school graduates and persons 18 years of age or older. No permit or residence qualification is required. Use Classified Ads for quick results.
